The two EAU Prizes for Best Paper Published in **Urological Literature** are tools through which the EAU encourages young and promising urological scientists to continue their work and to communicate their achievements to the European urological community.

Two prizes of € 5,000 each will be made available for the two Best Papers Published in Urological Literature on Clinical or Fundamental Research. These papers have to be prepared, published or accepted for publication between 1 January and 31 December 2008.

Rules and Regulations

- Eligible to apply for the EAU Best Paper Published in Urological Literature are urologists, urologists-in-training or urology-related scientists. All applicants have to be a member of the EAU.
- The submitting author must be either the first or the corresponding senior last author.
- Each author is allowed to submit no more than one paper.
- The paper must be written in the English language (or translated into the English language).
- The subject of the paper must be urological or urology related.
- The deadline for submission is 17 November 2008.
- The awards will be handed out at the 24th Annual EAU Congress in Stockholm, 17-21 March 2009 during a special session.

How to apply

- Please send your paper to the following e-mail address: eau@uroweb.org.
- Include a copy of your curriculum vitae.
- Supply a list of all authors who have significantly contributed (if relevant).
- Indicate clearly for which category the paper is intended (clinical or fundamental research).
- Mention any financial support by companies, government or health organisations.
- A publisher's letter of acceptance has to be submitted along with your paper.

A review committee consisting of members of the EAU Scientific Congress Office will review all submitted papers and nominate the recipients of the two EAU prizes for Best Paper Published in Urological Literature.

All correspondence is to be sent to the EAU Central Office, at eau@uroweb.org, clearly indicating the relevant prize in the subject line: "EAU Best Paper on Clinical Research" or "EAU Best Paper on Fundamental Research".
